

D SERIES
OFF-ROAD DUMP TRUCK

To be the leading supplier of engineering transportation solution and equipment

This dump truck is equipped with an electronically controlled engine and an automatic gearbox, with more convenient control and higher efficiency. The application of information and automation technology makes the management of mining equipment more efficient. Longer life, lower transportation costs and more economical use due to the perfect combination of lightweight technology and reliability.

D Series off-road dump truck									
Overall parameters	Model	TLD65	TLD90	TLD96	Axle	Manufacturer / Country		Hande/China	
	Brand	Tonly				Load/T	13+25+25 20+35+35 25+40+40		
	Drive mode	6×4	6×4	6×4	Tires / Rims		Tire model		14.00-25 14.00-25 16.00-25
	GVW (t)	65	90	105		Rim size	10.0/2.0-25 10.0/2.0-25 11.25/2.0-25		
	Rated payload (t)	40	60	70	Container		Base plate material/thickness (mm)		T700/16 NM400/16 NM400/16
	Kerb weight (t)	25	30	35		Rear plate material/thickness (mm)		T700/12 NM400/12 NM400/12	
	Dimensions (mm)	8895×3220×3800	9500×3650×3715	9900×3670×4250		Front plate material/thickness (mm)		T700/10 T700/10 T700/10	
	Wheelbase (mm)	3600+1500	4075+1550	4075+1750		Side plate material/thickness (mm)		T700/10 T700/10 T700/10	
	Wheel track (mm)	2442/2252	2680/2500	2838/2626		Container volume (m³)		25 30 36	
	Minimum ground clearance (mm)	305	305	400	Hydraulic system	Model		FC179 FC191 FC191	
	Minimum turning radius (m)	10.5	11	11		Manufacturer / Country		HYVA/China	
	Maximum height of bucket lift (mm)	7650	7830	8320		Steering device		Dual steering Fully hydraulic steering Fully hydraulic steering	
	Maximum angle of bucket lift (°)	50	50	50		Lifting time (s)		23 25 27	
	Loading height (mm)	3800	3975	4234		Discharge time (s)		23 25 27	
	Braking distance (m)	12	14	17		Weight distribution	Empty load		
	Maximum climbing degree (%)	≥36	≥32	≥30	Front axle (kg)		10000 10000 15000		
	Maximum speed (km/h)	40	40	40	Rear axle (kg)		15000 20000 20000		
	Engine	Model	WP13G430E310	WP13G530E310	WP13G530E310		Total weight (50% fuel) (kg)		25000 30000 35000
Manufacturer / Country		Weichai/China			Loaded				
Transmission	Power (hp/kw)	430/316	530/390	530/390	Front axle (kg)		15000 20000 25000		
	Model	FC6A210DPRT	FC6A250DPRT	4800 ORS	Rear axle (kg)		50000 70000 80000		
/	Manufacturer / Country	Xi'an FC/China		Allison/USA	Total weight (kg)		65000 90000 105000
